CARRIED 5/0

IN BRIEF

A Compliance Audit Return (CAR) is an opportunity for Council to review internal procedures and processes considered “high risk” to ensure they are compliant with relevant local government Acts and Regulations.

Council budgeted for Council’s Compliance Audit Return to be prepared by an independent Consultant for the calendar year of 2023. However, Officers deemed an external consultant unnecessary to perform the audit, so it was completed internally and then reviewed by a Local Government Governance & Compliance expert, before being taken to Council for consideration.

N/A responses indicate that the compliance requirement was not actioned nor required during the Year under Review.

MATTER FOR CONSIDERATION

The submission of a Compliance Audit Return for the period 1st January 2023 to 31st December 2023 is a statutory requirement. The CAR must be submitted to the Director General of the Department for Local Government, Sport and Cultural Industries no later than the 31st of March 2023.

BACKGROUND

Under the *Local Government Act 1995* and the *Local Government (Audit) Regulations 1996* Council is required to undertake a Compliance Audit Return via the Statutory Compliance Return provided by the Department of Local Government each year.

For regional Councils the CAR contains 94 questions relating to the prescribed statutory requirements in regulation 13 of the *Local Government (Audit) Regulations 1996* and 10 optional questions.

The Local Government's Audit Committee is required to review the completed CAR and report the results to Council prior to its adoption by Council. A copy of the Statutory Compliance Return signed by the CEO or Shire President and the relevant section of the Council Meeting Minutes must then be provided to the Director General of the Department of Local Government by the 31st of March 2023.

Non-compliance reported in the 2023 Compliance Audit Return should be a reminder for Local Government Officers to engage with Council members via the Audit Committee, providing advice on what action has or will be taken to address it.

The Compliance Audit Return comprises of Questions in the following areas of activity:

- Commercial Enterprises by Local Governments
- Delegation of Power/Duty
- Disclosure of Interest
- Disposal of Property
- Elections
- Finance
- Integrated Planning and Reporting
- Local Government Employees
- Official Conduct
- Optional Questions (all answered)
- Tenders for Providing Good & Services

The only issues of non-compliance noted related to

- Tenders for Providing Goods and Services – Question 2

Officers failed to Request for Tender in relation to the recruitment for Supply of Doctor. The value of the contract offered exceeded the threshold amount of \$250,000.00 that would have made a Request for Tender necessary. Advice from WALGA to the CEO was to answer this question in the negative and provide a detailed description of the recruitment process in the comments/notes section. (Attachment 2)

- Optional – Question 5

The minutes of the Ordinary Council Meeting held 14 December 2023 do not comply with Section 5.96A(1)(f) as Council did not resolve to close the meeting to the public for the confidential discussion of Item 12.1. The CEO chose not to publish details other than the Resolution of Council regarding this item, as it should have been confidential in accordance with Section 5.23(2)(e) of the *Local Government Act 1995*.

While Council budgeted for Council's CAR to be prepared by an independent consultant, it was decided that the CAR would be completed internally, with the report being reviewed by Ms Belinda Knight, an independent Local Government Governance & Compliance Consultant.

Council's procedures, processes and actions for the 2023 calendar year were reviewed and the draft statutory compliance return has been developed for consideration by the Audit & Risk Committee.

Please Retain for Compliance Audit Report Purposes

I have recently been made aware that under the *Local Government (Functions and General) Regulations 1996* we should have gone out to tender to recruit the doctor for the medical practice, the reason being is that the total amount of the contract exceeded \$250,000.

I have contacted the Department of Local Government, the Department of Health and WALGA for advice on how we disclose and rectify this breach. The only response I received was from Tony Brown, Governance Manager, WALGA. Tony advised that the only action we needed to take was to document the recruitment process we used and then declare the breach during the next Compliance Audit Report process. Would you both retain the following for records:

1. The CEO contacted four dedicated medical recruitment firms. After inspection of the contract terms and conditions provided, it was decided that this approach was too high a level risk. This is because the cost of recruitment was high and there was no guarantee of continuation after three months. A refund would only be provided if the doctor left within the first three months.
2. The CEO contacted Rural Health West who advised of the doctor shortage across regional Australia and the fact that 92 local governments were seeking doctors.
3. Discouraged by the information provide by Rural Health West, the CEO contacted WACHS, in the hope that they could assist to recruit a doctor for Quairading through their own doctor recruitment process. Dr Peter Barret (Director, Wheatbelt, WACHS) advised that this was not possible. WACHS did not recruit to medical clinics.
4. The Shire was of the view that the only option available to secure a doctor was by formally advertising the position in medical publications established for that purpose. Jennifer Green ran this process and will have a record of the said advertising.
5. Once the advertising commenced, the media ran with our advertisement and we received extraordinary media attention at a State, Federal and international level.
6. Expressions of Interest were called for and 209 were submitted. Application Packages were then sent out to everyone who expressed interest, advising of how to submit an application.
7. 102 applications were submitted, and the Doctor Recruitment Working Group short-listed this group to 12 applicants. 12 applicants were interviewed. The Working Group's top three preferences withdrew before the process was complete. The fourth preference, Dr Jack Yapp, was interviewed for a second time, was then offered the position and accepted.

8. Note that the CEO contacted Dr Peter Barret (Director, Wheatbelt, WACHS) prior to offering Dr Yap the position, to ensure his qualifications and experience were sufficient to be able to work in Quairading hospital.

Kind Regards

ITEM 6 EMERGING ISSUES/LATE ITEMS

6.1 Mitigating break-ins on Shire Premises

Cr Hippisley report that the Quairading Swimming Pool had recently been broken into and \$100 worth of merchandise had been stolen. The contracted caretaker was considering putting up cameras to try and discourage any repeat of the incidence. Cr Hippisley asked the Committee to consider whether Council should take the responsibility to install CCTV not just to discourage break-ins, but also to discourage unauthorised use of the swimming pool after hours.

Cr Smith reminded that special meetings of Council or Committees are generally to discuss only the specific item or items for which they were held. He was, however, not opposed to continuing the discussion in this instance.

The CEO informed that the Administration had been discussing the issue, also concerning the Quairading Caravan Park. The EMWS was suggesting the installation of the same surveillance system at the Caravan Park and the Swimming Pool, as had been recently installed at Kwirradging Koort. Cameras cost about \$250 per unit.

The CEO reported that she was aware of who was thought to have been involved in the break-in and that the Police were involved.
